

Merry
— Christmas —

Hello there,

this shoebox came a long way to reach you. Someone in Germany decided to prepare a gift to bring you great joy for Christmas. Volunteers packed that box and sent it on the road.

We're wondering how you will celebrate Christmas?

In Germany, people go to church on Christmas Eve, 24th of December. Children often perform a Nativity play in their church to tell people about the Christmas story:

God loves the world so much, that he
sent his own son to us:

Jesus Christ.

As we want to remember this great gift, we give presents to families and friends – and children like you. May you find this great gift as well and realize that God loves you.

We wish you a very merry Christmas!
